

VACATION AND TIMESHARE

Slovenia, vacation destination for today & tomorrow

Fontus d.o.o., together with partners, develops vacation timeshare concept in Slovenia.

Timeshare concept presents a possibility of buying vacation dream in advance, in the future. This interesting concept gives people the right to spend holiday time in an apartment, villa or holiday cottage at the same period of time each year. Buyers usually buy their »time« in weekly intervals and hold the right to use the accommodation facility for defined number of years or for ever.

Hospitality companies in Slovene tourist destinations are still preparing to offer this kind of tourist product that is developing very rapidly in Europe and globally for more than 25 years.

Services, offered by Fontus and partners in connection with timeshare concept:

1. **PROMOTION OF VACATION TIMESHARE** - its advantages, different forms, legal background and buying possibilities for products that will be presented on the web page of Fontus.
2. **CREATION** of interesting programmes, connected with timeshare products.
3. **TIMESHARE PRODUCT MANAGEMENT**
Services that are assured at each timeshare product in Slovene tourist destinations are presented in a brochure for each product.
4. **PROMOTION AND MARKETING** of timeshare vacation products
Together with partners, Fontus assures legal and financial consultancy support for clients that are considering buying timeshare vacation unit.

Cooperating partners of Fontus for timeshare concept development in Slovenia:
